

SURENDRA ENGINEERING

ENTERPRISES

Company Profile

Overview:

Surenbra Engineering Enterprises is a leading firm specializing in fabrication, electrical works, civil construction, and operation & maintenance services. Established with a commitment to excellence and reliability, we have built a strong reputation for delivering high-quality solutions across various sectors.

Core Services:

1. Fabrication:

- Customized fabrication of steel structures, industrial equipment, and components.
- Expertise in welding, machining, and assembly to meet diverse client needs.

2. Electrical Works:

- Design, installation, and maintenance of electrical systems for residential, commercial, and industrial projects.
- Specialized in power distribution, lighting solutions, and automation.

3. Civil Construction:

- Turnkey solutions for civil construction projects including buildings, roads, bridges, and infrastructure development.
- Emphasis on quality, safety, and timely project completion.

4. Operation & Maintenance:

- Comprehensive O&M services for industrial plants, commercial facilities, and infrastructure.
 - Routine inspections, preventive maintenance, and emergency repairs to ensure operational efficiency.
-

Branch Office: - Ring Road, Near HP Petrol Pump, Balco, Korba (C.G.) 495684

Registered Office: - Ring Road, Near HP Petrol Pump, Balco, Korba (C.G.) 495684

Mail Id: - Surenda.engg@rediffmail.com

Contact No.: - +91 7000 323 538 | +91 9179098681

Key Differentiators:

- **Expert Team:** Highly skilled engineers, technicians, and project managers dedicated to delivering superior results.
 - **Quality Assurance:** Stringent quality control measures and adherence to industry standards.
 - **Innovation:** Continuous improvement and adoption of cutting-edge technologies for enhanced efficiency and sustainability.
 - **Customer Focus:** Client-centric approach, understanding unique project requirements, and delivering tailored solutions.
-

Industry Sectors:

- **Industrial:** Serving manufacturing plants, refineries, and logistics centers.
 - **Commercial:** Projects in retail, hospitality, and office complexes.
 - **Infrastructure:** Contributing to urban development, transportation, and public works.
-

Corporate Social Responsibility (CSR):

Surenbra Engineering Enterprises is committed to sustainable practices, environmental responsibility, and community welfare. We actively engage in initiatives that promote education, healthcare, and environmental conservation in the regions where we operate.

Client Details for Surenbra Engineering Enterprises:

1. BHARAT ALUMINUM COMPANY LTD (BALCO):

- **Industry:** Aluminium production and manufacturing.
- **Services Provided:** Fabrication of specialized equipment, electrical installations, civil construction for infrastructure, and comprehensive operation & maintenance services.
- **Key Projects:** Supporting BALCO's industrial operations with tailored engineering solutions to enhance production efficiency and infrastructure development.

○ **HIGHLIGHTS OF CURRENT PROJECTS**

Name of Work	Nature of Work	Value of work	Description	PO No.	Session	Remark
Anti Reverse	CIVIL & Mechanical	₹ 10,00,00,000	Entire plant road and platform Repairs	8500005764	2023-25	Completed
R.P. Maintenance	O & M	₹ 17,00,00,000	Maintenance of Sheet rolling Area	8500004056	2020-23	Completed
Pot Operation Assistance	O & M	₹ 60,00,00,000	Operational Assistance of POT Room (Metal)	3402000915, 3402000916	2024-27	On Going
Geho Discharge Line Maintenance	Fabrication	₹ 9,20,00,000	Ensuring Zero Leakage in Ash Pipeline	3402000504, 8500005352	2023-26	Completed
Pre - Monsoon Work	Manpower Supply & HEMM	₹ 15,00,00,000	Ensuring Clear Movement in Plant & Ash Dyke	3402000942, 3402000918,	2024-26	On Going

Branch Office: -Ring Road, Near HP Petrol Pump, Balco, Korba (C.G.) 495684

Registered Office: - Ring Road, Near HP Petrol Pump, Balco, Korba (C.G.) 495684

Surenbra Engineering Enterprises has undertaken significant projects for Vedanta Limited at their Lanjigarh and Jharsuguda locations, contributing to the success and operational efficiency of these facilities. Here are the major projects completed:

Vedanta Jharsuguda:

Operation & Maintenance Services:

POT O&M services, Operation & Maintenance Services:

- Comprehensive O&M services to ensure continuous operation of equipment and facilities.
- Implementation of preventive maintenance programs to minimize downtime.
- to ensure continuous operation of equipment and facilities.
- Implementation of preventive maintenance programs to minimize downtime.

2.

ADANI Group:

- **Industry:** Diversified conglomerate with interests in ports, logistics, energy, and agriculture.
- **Services Provided:** Fabrication of structural components, electrical system design and installation, civil construction for infrastructure projects, and ongoing maintenance services.
- **Key Projects:** Contributing to Adani's port and logistics infrastructure expansions, energy projects, and facility maintenance requirements.

HIGHLIGHTS OF CURRENT PROJECTS

Name of Work	Nature of Work	Value of work	Description	P0 No.	Session	Remark
Cross Over Modification	Mechanical	₹ 8,40,000	Modification of Cooling tower Boundary	5700309020	2022-23	Completed
Face - Lifting Work	CIVIL	₹ 30,50,000	L2 Gate Modification	5703007679	2023-24	Completed
Construction Of Chemical Storage Room	CIVIL	₹ 24,10,000	Construction Of Chemical Storage Room	5703012045	2023-24	Completed
Construction of Semi-Closed Oil Shed	CIVIL	₹ 5,40,000	Construction of Semi-Closed Oil Shed	5703012077	2024-25	Completed

3.

THYSSENKRUPP:

- **Industry:** Global technology and industrial engineering conglomerate.
- **Services Provided:** Advanced fabrication solutions, electrical system integration, civil engineering for infrastructure development, and specialized operation & maintenance services.
- **Key Projects:** Collaborating with Thyssenkrupp on efficient coal management, implementing cutting-edge technologies, ensuring sustainability, and maintaining high standards of operational excellence.

HIGHLIGHTS OF CURRENT PROJECTS

Name of Work	Nature of Work	Value of work	Description	P0 No.	Session	Remark
RAKE Unloading	Manpower Supply	₹ 11,00,00,000	Coal Unloading from Wagon	7000040962	2022-23	Completed
HEMM SUPPLY	HEAVY EQUIPMENT SUPPLY	₹ 2,10,00,000	Coal Yard Maintenance	7000037494	2022-23	Completed
Coal Sampling	Expert Service	₹ 42,00,000	Sampling Of Coal Arrived	7000040963	2022-23	Completed

4. **NGSL (Nuclear Power Corporation of India Ltd.):**

- **Industry:** Nuclear power generation.
- **Services Provided:** Fabrication of critical nuclear components, electrical system design and installation, civil construction for nuclear facilities, and comprehensive operation & maintenance services.
- **Key Projects:** Supporting NGSL's nuclear power plant operations with specialized engineering solutions and adherence to stringent safety and regulatory standards.

HIGHLIGHTS OF CURRENT PROJECTS

Name of Work	Nature of Work	Value of work	Description	P0 No.	Session	Remark
VFD Installation	Electrical	₹ 15,00,000	Installation and Modification of VFD Panel	NGSL 4600002640	2024-25	Completed

Branch Office: -Ring Road, Near HP Petrol Pump, Balco, Korba (C.G.) 495684

5. **Larsen & Toubro:**

Surenbra Engineering Enterprises has collaborated with Larsen & Toubro (L&T) on several notable projects, leveraging combined expertise.

HIGHLIGHTS OF CURRENT PROJECTS

Name of Work	Nature of Work	Value of work	Description	PO No.	Session	Remark
Pre-cast Divider Supply	Civil	₹ 55,10,000	Casting and Supply of Road divider block	LE/LE23M838/WOD/24/000010	2024-25	Completed

6. **Shivshakthi Pvt. Ltd.:**

Later Surenbra Engineering Enterprises had partnered with SPSPL (Shivshakthi Power Services Private Limited) to handle Power area at BALCO supply of heavy Equipment's and Manpower for coal unloading and sampling.

Branch Office: -Ring Road, Near HP Petrol Pump, Balco, Korba (C.G.) 495684

Registered Office: - Ring Road, Near HP Petrol Pump, Balco, Korba (C.G.) 495684
